

amendments on the chemical protection bill that we are now considering tomorrow. We will consider perhaps some other suspensions as well.

My expectation is that on Saturday we will convene at 9 o'clock in the morning. I expect to have five 1-minute speeches on each side, as we usually do on Friday and the end of the week. We will then go to the rule on the health care bill, and then it is my expectation we will have consideration of the health care bill and the Republican substitute.

It is my expectation that if we proceed apace and come to a vote and disposition on that piece of legislation, that we would then adjourn Saturday at whatever hour we complete our work and that the adjournment would be to the 16th of November, the Monday of the following week.

We will convene on the 16th at 6:30 p.m. and meet through Friday of that week. It is my expectation, as I have indicated, that we would be off the following week, which is Thanksgiving week.

That's my present plan, which oft go awry, as all of us know, but that is my present plan for the balance of the month.

Mr. CANTOR. I thank the gentleman.

I would just like to ask the gentleman for a point of clarification, our Members can count on a vote on final passage on the health care bill on Saturday and, upon having done that, can anticipate being able to leave sometime Saturday night or Sunday?

I yield.

Mr. HOYER. I thank the gentleman for yielding.

That would be my expectation. Again, I want to clarify and make sure that everybody understands it is our intent to finish the health care bill, but assuming that we finish the health care bill sometime Saturday, Saturday night, or early Sunday morning, it would be my expectation there would be no further business until the 16th.

Mr. CANTOR. I thank the gentleman.
